Serial No.

Letter No. 1552/E dated 26-8-1946 from the Chief Engineer for Irrigation.

Forwards the representation of Mr. L. Ramaswamiah, Sub Engineer, requesting that he may be promoted to the rank of Hon: Asst Engineer and at the same time the CE recommends that the number of Hon: Asst Engineers may be raised to 12.

While laying down the rules governing the Mysore Public Works Service, Govt. in their order No. PW 5695-5716 dated 25-2-1944 have abolished the Cadre of Sub Engineers which existed prior to the issue of the GO. The appointments open for non-graduates are, Sub Overseers, Overseers and Hon: Asst Engineers. Only Overseers of outstanding merit will be promoted to the rank of Hon: Asst Engineers.

2. At present there are 4 Hon: Asst Engineers and 7 Sub Engineers working in the dept. with a view to absorb the Sub Engineers with the Cadre of Hon: Asst Engineers, the CE recommends that the number of Hon: Asst Engineers may be raised to 12.

3. The above proposal was submitted by the Chief Engineer here in January 1945- please see paras 30 to 38 of the notes in

G

E

NOTE—Contn. Sheet.

Cadre of Hon: Assistant Engineers

File No. of 194 . | Public Works Secretariat

Serial No.

the file put up. The proposal is to reduce the sanctioned number of Assistant Engineers (meant for Graduates) by 12. The question was considered by GOK carefully and they finally came to the conclusion "that it is not desirable to permanently alienate 12 out division Chairs of the non-Graduate Hon: Asst Engineers" please see order of GOK in paras 70 & 71 of the notes in the file put up. A

4. The present proposal of the CE is for the reconsideration of the above order and to raise the numbe of Hon: Asst Engineers to 12. If for any reason, this proposal cannot be sanctioned, he recommends B 21/10/46. the cadre of Sub Engineers be revised and the total number of Sub Engineers fixed at 10, which was the permanent strength prior to $25\frac{2}{44}$.

5. As the proposal to absorb the old Sub Engineers as Hony Asst Engineers entails a curtailment of the strength of Asst Engineers and also a wholesale promotion of all Sub Engineers to the gazetted cadre irrespective of their fitness or otherwise for such responsible jobs, Govt

Cadre of Hon: Asst Engineers.

Public Works Secretariat | File No. of 194 . | [App. F. III-2

Serial No.

desires the creation of a grade of Rs 200-$12\frac{1}{2}$-250 to the Hon'ble Engrs already holding that rank. There are at present 6 non graduates working as Exe Engrs though such a grade is not in existance after the revised rules issued on 25.2.44. As Govt are not inclined to create more Hon'y Asst Engrs' posts, the revival of Exe Engrs' cadre with a strength of 10 may be considered instead of 7 (including the A.S.E. now on foreign Service). The proposal entails creation of 3 extra appointments costing Rs 475- per mensem if the existing strength 7 is taken into account; but if the original strength was itself 10, there will be no question of additional cost. Concurrence is necessary.

b) The maximum pay of a overseer is Rs 125/- and the minimum of a Hon. A.E. is 175/-. According to the G.O. dated 25-2-44, if persons of outstanding merit are to be given hon. asst. engineers' places, they would get a sudden jump from 125/- to Rs 175/- which is therefore advisable to

NOTE—Contn. Sheet. No.

Cadre of Hon: Asst Engineers.

File No. 1070/PW of 194 . | Public Works Secretariat

Serial No.

revive the old grade of Subengineers viz as 125-10-175 and fix the no. as 10. This would also give temptation to the young School of Engg students to join in greater numbers as Subengineers.

7) To increase the no. of Hon: asst. engrs to 12, against asst. engineer's vacancies is decidedly a wrong procedure and Govt have already ruled out this proposal as noted in paras 70 & 71 of the notes in the file put up

8) We may perhaps fix up four places of Hon. asst. engineers against the vacancies of Subengineers and a grade of 200-$\frac{25}{2}$-250 may perhaps be granted

Secy P.W.) 12/11/46.

9) C.E.I. has submitted for consideration, the representation of Mr. Ramaswamiah Sub Engineer for promotion as an Hon. Asst Engineer. C.E.I. requests that his proposal of raising the number of Hon. A.E.s from 7 to 12 may be re-considered. Govt have already considered the matter in detail and settled that the Hon. A.E.'s posts are only for non-gazetted men of outstanding merit and that therefore the number cannot be fixed. The proposal may be negatived.

10) As an alternative C.E.I. suggests that the grade of Sub-engineers which was recently abolished may be revived. At present the S.O rises to Rs 125- as a max., as overseer if of outstanding merit suddenly

Serial No.

jumps from 125 to Rs 175 the min^m of the Hon^y A.E.s grade. There was the intermediate grade of sub-engineers, 125-10-175 previously but it has now been abolished and this has a great hardship to the sub-ordinates who worked as over-seers whose max^m is now limited to Rs 125 as Overseer with the slight offchance of being chosen specially as Hon^y A.E.s which very very few can hope for get. It appears reasonable that the sub-engineers grade as above in case of the S.O.s be revived and the number fixed may be 10 instead of 7 who are continuing as sub-engineers now., the extra cost involved being only Rs 425 p.m (allowing for the present 7 sub-engineers). This proposal may be sanctioned to keep the S.O.s satisfied as they will have less more places created in a higher grade to look to for promotion.

~~In view of what is stated above,~~ the request of giving the Hon^y Min^r P.W. Dewan Mr. Finsecy

Kd/13 11/46 Pl. 13/11.

11) I regret I am unable to agree either to create an additional place for the benefit of the above individual or to revive the grade of Sub-Engineers. The number and scales of pay are not to be ordinarily altered to suit the individuals. If there is any great stagnation of over-seers on Rs.125/-, the question of having a few over-seers on a fixed pay of Rs.150/- may be considered.

Note for Circulation in Council.

Revival of the Cadre of Sub Engineers on Rs 125-10-175 in the P.W. Dept.

H.H. 707

Govt. while laying down ~~the~~ the rules governing the Mysore Public Works Service, in their order No P.W. 5695-5716. dated 25-2-1944 have abolished the Cadre of Sub Engineers which existed prior to the issue of the G.O. The existing avenues now open for non-graduates are :-

i Sub Overseers on Rs 35-5/2-80 (they are started on Rs 50/- now).

ii Overseers on Rs 80-5-125

and iii Hon: Asst Engineers on Rs 175/- + Rs 25/- PA.

Hon Asst Engineers who are in charge of Sub divisions have been recently given a grade of Rs 200-25/2-250.

At present there are 4 Hon: Asst Engineers and 7 Sub Engineers (including Mr. A. St. John. Deputy who is now on foreign service) in the Dept. As the Cadre of Sub Engineers has been abolished the CE has recommended that the number of post of Hon: Asst Engineers may be increased to 12 with a view to absorb the existing Sub Engineers in that grade.

The recommendation of the CE

Considered by Govt in Dec 1945 and the proposal was not accepted as it resulted in the reduction of the sanctioned number of Assistant Engineers (meant for graduates) by 12.

Under the existing scales of pay, a non graduate can rise only upto Rs 425/-, the maximum of the Overseer grade, with a very little chance of being promoted to the Asst Engineers rank, as only subordinates of outstanding merit are promoted to that grade. There was an intermediate grade of Asst Engineers on Rs 325-10-375/- but it has now been abolished. On a reconsideration of the question, Govt feel that there is legitimate grievance for the non-graduates and in the interests of a contented service the chances of promotion should be improved. It is therefore proposed to revive the old cadre of Asst Engineers and to fix the strength at 10. The extra cost involved is Rs 475/- p.m. or Rs 5700/- per annum.

The Financial Secretary to is not agreeable to the proposal but the same has been approved by the Dewan and the Minister for Agri & P.W.

Agriculture &
Final Note by the Minister for/Public Works.

Subject.— Revival of the cadre of Sub Engineers on Rs. 125-10-175 in the Public Works Department.

Government, while laying down the rules governing the Mysore Public Works Service, in their Order dated 25th February 1944 have abolished the cadre of Sub Engineers which existed prior to the issue of the Government Order. The appointments now open for non-graduates are:-

1. Sub-Overseers on Rs. 35-5/2-80 (they are started on Rs. 50/- now).
ii. Overseers on Rs. 80-5-125; and
iii). Honorary Assistant Engineers on Rs. 175/- + Rs. 25/- per annum. PA

Honorary Assistant Engineers, who are in charge of Sub Divisions have been recently given a grade of Rs. 200-25/2-250.

At present, there are 4 Honorary Assistant Engineers and 7 Sub-Engineers (including Mr. A. St. John D'Cruz who is now in foreign service) in the Department. As the cadre of Sub Engineers has been abolished, the Chief Engineer has recommended that the number of posts of Honorary Assistant Engineers may be increased to 12 with a view to absorb the existing Sub Engineers in that grade.

B & R Para 35

The recommendation of the Chief Engineer was considered by Government in December 1945 and the proposal was not accepted as it resulted in the reduction of the sanctioned number of Assistant Engineers (meant for graduates) by 12.

N Para 10

Under the existing scales of pay, a non-graduate can rise only up to Rs. 125/- the maximum of the Overseers grade, with a very little chance of being promoted to the Honorary Assistant Engineers' rank, as only subordinates of outstanding merit are

promoted to that grade. There was an intermediate grade of Sub Engineers on Rs. 125-10-175, but it has now been abolished. I however feel that there is legitimate grievance for the non-graduates and in the interest of a contented service, the chances of promotion should be improved. It is, therefore, proposed to revive the old cadre of Sub Engineers and to fix the number at 10. The extra cost involved is Rs. 475/- per mensem or Rs. 5,700/- per annum.

Para 5 of Notes

Para 13 of Notes & M

The proposal has been agreed to by the Dewan and the other Ministers and I solicit the gracious sanction of His Highness thereto.

OFFICE OF

the Chief Engineer for Irrigation

in Mysore, Bangalore,

Date 21/8/46

To

The Secretary to Government,
Public Works Department,
Bangalore.

P. W. SECRETARIAT. 1070 Date 27/8/46

Mr. L. Ramaswamiah, Sub Engineer.

I have the honour to forward herewith the application of the above Sub Engineer received through the Superintending Engineer, Irrigation Circle, praying for promotion to the next higher grade.

2. Mr. Ramaswamiah, Sub Engineer is drawing Rs. 175/- with effect from 6-5-1944, which is the maximum pay of the Sub Engineer. His promotion to the next higher grade would have to be that of Honorary Assistant Engineer. There are three seniors to the applicant who are awaiting promotion as Honorary Assistant Engineer. Hence, he cannot be promoted to the next higher grade till his seniors are promoted unless the number of posts of Honorary Assistant Engineers is increased.

3. In Government Order No. P.W. 5695-5716 dated 25-2-1944, cadre of Sub Engineers was abolished. Consequently, in this office letter No. 4590 dated 25-1-1945, it was recommended that the number of Honorary Assistant Engineers may be raised to 12 so that the existing Sub Engineers may be absorbed in that cadre. But in Government Order No. 6352-54/Est. 62-45-3 dated 16-3-1946, it was intimated that it is not desirable to permanently allocate twelve Sub Division charges to non-graduate Honorary Assistant Engineers. Hence, the following officers are continuing as Sub Engineers though the cadre was abolished so long back as February 1944.

1) Mr. A. Jhon D'Cruz
2) Mr. M. G. Narasimha Iyengar
3) Mr. M. Raghavendra Rao
4) Mr. G. Ranga swamiah
5) Mr. L. Ramaswamiah
6) Mr. S. G. Krishna Iyengar
7) Mr. K. Venkatesa Iyer.

2. The following Honorary Assistant Engineers are also working in the Department:-

1) Mr. K. J. Kutnikar
2) Mr. A. Ramaswamiah
3) Mr. V. Rajagopala Iyengar
4) Mr. N. Nanjiah.

C.O.,

3. Under the foregoing circumstances, orders issued in Government Order No.6352-54/Est. 62-45-3 dated 16-3-1946 require reconsideration. I request that sanction of Government to raise the number of Honorary Assistant Engineers to 12 as already recommended in this office No.4590 dated 25-1-1945 may kindly be obtained and communicated.

4. If for any reason, the above proposal cannot be sanctioned, I recommend that the cadre of Sub Engineers abolished in Government Order dated 25-2-1944 may kindly be revived and the total number of Sub Engineers fixed at 10 which is the permanent sanctioned scale of Sub Engineers prior to 25-2-1944.

I have the honour to be,

Sir,

Your most obedient servant,

GCS/20th.

CHIEF ENGINEER FOR IRRIGATION.

To

The Chief Engineer for Irrigation
in Mysore, B a n g a l o r e.

Through

The Proer Channel.

MEMORIAL OF MR. L. RAMASWAMIAH, SUB-ENGINEER
PRAYING FOR PROMOTION TO HIGHER GRADE.

Sir,

I beg to represent the following few facts for your kind consideration and favourable orders.

I was confirmed as an Overseer with effect from 5-9-1939 and was promoted as Sub Engineer in grade 125-10-175 from 6-5-1939. I reached the maximum in that grade on 6-5-1944. At the time of granting the last increment in the Sub Engineer's grade, I was given to understand that the non-graduate Sub-Engineers will be absorbed in the grade of Honarary Assistant Engineers, under the revised cadre vide Government Order No. P.W.3843-44 dated 13-1-1945. Under these circumstances I beg to represent that my promotion to the higher grade is neither communicated nor confirma tion in the Sub Engineer's grade is intimated.

I have got only three years service ahead and I pray that my case may be sympathetically considered and be promoted to the higher grade and also confirmed in theSub Engineer's grade thereby entitling me to a higher rate of pension.

Further, the increments due to me from time to time in the Overseer's grade have not been sanctioned in view of my promotion to Sub Engineers grade and I request that these may kindly be sanctioned to avoid complications for calculation of my pension and leave allowances.

In this connection, I beg to represent that during my service in the Department, I was also placed in charge of works costing lakhs, which I have constructed to the entire satisfaction of my superior officers. The details of works are per the statement herewith attached.

P.T.O.

I was also placed in charge of Sub Divisions during my service where I discharged the duties to the entire satisfaction of my officers under whom I worked.

"Government whilereorganising P.W.Executive Establishment in their order G.O.No.P.W.5695-5716 have declared that promotion to the cadre of Honarary Assistant Engineers, will be given to senior Sub-Engineers and Overseer of outstanding merit and that the number of posts in this cadre will be determined from time to time.

In consideration of my hard and strenuous work, I pray once again that my case may be considered favourably and early orders communicated.

I beg to remain,
Sir,
Your most obedient servant,

Krishnarajasagar,
Dated 9th May 1946.

10/5/46.
SUB ENGINEER.

List of works done by me during my service in the Department.

1914-1917	Surveys and opening out of Right Bank Low Level Canal from Krishnarajasagar.
1917-1919	Surveys of High Level Canal and Jog Falls.
1919-1921	Gauging of River Cauvery both in the Mysore State and Madras Presidency.
1921-1927	Dam Construction works at K.R.Sagar.
1927-1931	Irwin Canal Works (1) Lokapavani Aqueduct and other Acqueducts (2) Opening out of Cauvery Branch.
1931-1937	Irwin Canal Division Mandya - Maintenance of Maddur Branch and Water Supply as per triennial rotation of crops.
1937-1939	In charge of Nanjangud Section. Hullahalli and Rampur channels.
1939-1943	Irwin Canal construction Division Mandya - Opening out Shimsha and Turuganur branches.
1943-1944	Irwin Canal Division, Mandya - Opening out Irrigation tract roads and execution of antimalarial works in the valleys below tanks.
1944-46	Krishnarajasagar Division- Waste Weir Works in +80, +103 and +106 valleys.

Order thereon.—No. Order Memo No PW 5693-102 Dated 12-2-47

Govt, while laying down rules governing the Mysore Public Works

Service in their ltr No dated 25-2-1964 read above, have abolished the Cadre of Sub Engineers which existed prior to the issue of the GOI order. The appointments now open for non-graduates in the PWD are:—

i Sub-Overseers on Rs 35-5/2-80 (They are stated on Rs 50/- now)

ii Overseers on Rs 80-5-125 and

iii Hon: Asst Engineers on Rs 175/- + 25/- L.W.

The Hon: Asst Engineers who are in charge of Sub Divisions have been given a grade of Rs 200-25/2-250. At present there are four Hon: Asst Engineers (including Mr A. St John D'Cruz who is now on foreign service) and 7 Sub Engineers in the Dept. As the Cadre of Sub Engineers has been abolished, the Chief Engineer has recommended that the number of posts of Hon: Asst Engineers may be increased to 12 to enable the existing Sub Engineers being absorbed in that Grade.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

Public Works Department

READ—

G.O.No.P.W.5695-5716 dated 25-2-1944, laying down rules governing the Mysore Public Works Service.

2. Letter No.1552/ dated 26-8-1946 from the Chief Engi for Irrigation, forwarding proposals for increasing the strength of Non.Assistant Engineers in the Public Works Department from 4 to 12 or in the alternative to revive the cadre of Sub Engineers which existed prior to the issue of Government Order dated 25-2-1944.

Order thereon No.P.W.5099-102/Gf 1-46-36 Dated, Bangalore, 12th Feb. 1949.

Government, while laying down rules governing the Mysore Public Works Service, in their order dated 25-2-1944 read above, have abolished the cadre of Sub Engineers which existed prior to the issue of the Government Order. The appointment now open for non-Graduates in the P.W.Department are :-

i) Sub-Overseers on Rs.35-5/2-60 (They are started on Rs.50 now)
ii) Overseers on Rs.80-5-125 and
iii) Non.Assistant Engineers on Rs.175/- + Rs.25/- per mensem

The Non. Assistant Engineers, who are in charge of Sub-Divisions have been given a Grade of Rs.200-25/2-250. At present there are four Non. Assistant Engineers and 7 Sub Engineers (including Mr. A.T.John D'Cruz who is now on foreign service) in the Department. As the cadre of Sub Engineers has been abolished, the Chief Engineer has recommended that the number of posts of Non.Asst. Engineers may be increased to 12 to enable the existing Sub Engineers being absorbed in that grade.

2. Government consider that it is not desirable to permanently allocate 12 Sub Division charges to the non-graduate Non.Assistant Engineers. But they, however feel that there is legitimate grievance for the non-graduates and in the interest of contented service, their chances of promotion should be improved.

3. Government are, therefore, pleased to direct that the old cadre of Sub Engineers on Rs.125-10-175 + Rs.25 (T.A.) be revived and their permanent strength fixed at 10.

By order and in the name of the Governor of Mysore,
Ramaswamy
Secretary to Government, P.W.D.

To
The Chief Engineer for Irrigation
The Chief Engineer for Roads and Buildings
The Comptroller to Government
The Auditor, P.W.Department

through P.W. Secretariat
